Date : 15 May 2026

Dear all,

We would like to announce that a new social security enhancement introduced by PERKESO, known as the **Skim Kemalangan Bukan Bencana Kerja (LINDUNG 24 JAM)** effective from 1 June 2026. This initiative is to move towards a more comprehensive social protection system, ensuring employees are safeguarded not only during work, but also in their daily lives.

What is LINDUNG 24 JAM?

This scheme provides **24-hour protection** to employees for accidents that are not related to work, including incidents that occur outside working hours, during personal activities, or at home. Previously, PERKESO coverage mainly limited to work-related accidents. This new scheme addresses that gap and ensures employees are protected at all times, regardless of location or time.

Benefits

- Medical treatment coverage
- Temporary and permanent disablement benefits
- Dependants' benefits
- Rehabilitation and recovery support
- Funeral and related benefits

Scope of coverage

The scheme covers accidents that occur:

- Outside working hours
- During personal activities
- At home or in public places
- During daily movements not related to work

This ensures comprehensive protection beyond the workplace.

Scope not covered

- Insured Persons (OB) who are foreign workers that misuse valid passes or permits issued by the Director General of Immigration or violate any conditions of entry under the Immigration Act 1959 / 63 [Act 155]

- Domestic injuries under Act 838

Contribution Structure

- Contributions are **mandatory and fully borne by employees**. Employers' current contribution of 1.75% remain unchanged.
- Employers shall pay contributions on behalf of employees as long as the employee remains employed with them.
- Deduction shall **commence in June 2026**.
- Additional employee contribution rates will be implemented progressively in phases as announced by PERKESO:

Phase	Contribution Rate	Duration
Phase 1	0.75%	First two (2) years
Phase 2	1.00%	Following three (3) years
Phase 3	1.25%	From the sixth (6) year onwards

Example of SOCSO only contribution rate table:

Age Category	Employer	Employee		
Below 60 years old	Remain unchanged (1.75%) = 1.25% (employment injury) + 0.5% (invalidity scheme)	Phase 1 First two (2) years	Phase 2 Following three (3) years	Phase 3 From the sixth (6) year onwards
		Additional 0.75% + 0.5% (existing contribution) = 1.25%	Additional 1.0% + 0.5% (existing contribution) = 1.50%	Additional 1.25% + 0.5% (existing contribution) = 1.75%
Above 60 years old	1.25%	0.75%	1.0%	1.25%
